harness & reins

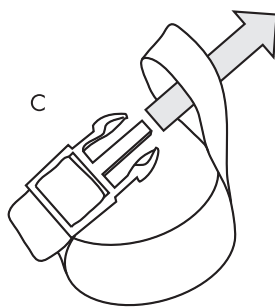

IMPORTANT KEEP FOR FUTURE REFERENCE

FOR USE AS A HARNESS

Making sure buckle (A) is to the back of your child, simply fit the harness over your child's regular clothing. Using the adjusters on the waist and shoulder straps. Adjust the harness to fit comfortably and securely.

Attach the side straps (C) to your child's pram, pushchair or high chair attachment points (often these will be D-rings) by first passing the buckle through the D-rings, and then passing it through its own loop.

Place your child into the seat of the child care item and fasten the side straps to the main harness body at the side buckles (B). Never leave children unattended even when harnessed into a child use and care article.

NB. The harness will need to be adjusted differently depending on what your child is wearing and which child care item you are using.

FOR USE AS REINS

Fit the harness to your child as previously instructed, and fasten the rein strap to the main harness body at the side buckles (B).

CLEANING

Hand wash in warm water. Dry naturally. Do not use bleach. Do not iron.

SAFETY INFORMATION

- These safety reins are suitable for children from 6 months of age to 4 years of age
- Never leave children unattended even when harnessed into a child use and care article
- Regularly check the straps and fastenings for signs of wear or damage. If there are signs of wear or damage do not use your harness and reins
- WARNING: Keep out of child's reach when not in use
- WARNING: Be aware of the danger when using reins near automatic doors, escalators etc.
- WARNING: Do not use this harness in motorised and power driven vehicles
- WARNING: Ensure that the harness attachment devices are compatible with the child use and care article
- WARNING: Remove any detachable reins when the harness is fitted into a child use and care article
